Dear Mr. Parsons:

**Re: *Records Access Request***

We are replying to your request for information that was received in our office on November 17, 2014. In that request, you sought access to “briefing notes, memos, or policy documents identifying the number of times that: a) ‘subscriber data’ was requested from Canadian telecommunications service providers; b) wiretaps initiated under court order; c) call detail records (CDRs) were obtained” from January 1, 2011 to November 1, 2014.

We consulted with the office of responsibility which provided the attached Explanatory Note and spreadsheet.

We trust you will find the attached responsive to your request. If you have any questions, please contact the Information and Privacy Unit at (604) 717-3071 or by fax at (604) 606-2622.

Yours truly,

Civilian Analyst (VA9426)
